

Newsletter February 2018

Dear RESURGE Study Team

We had a very successful start into the year 2018. We are very happy to welcome 4 additional centres in Germany on board the RESURGE study. 13 sites are open and recruiting now.

➤ Recently opened sites

Münster – Jan 18

Giessen – Feb 18

Mainz – Feb 18

Erfurt – Feb 18

➤ Resurge Sites

| | | | | | | | |
|-----------|--------|-----------|---------|---------|-------|--------|-------|
| Open CH | Bern | Lausanne | Geneva | Zurich | Aarau | Lugano | Basel |
| Recruited | 12 | 3 | - | - | 1 | - | 1 |
| Open INT | Milano | Innsbruck | Münster | Giessen | Mainz | Erfurt | |
| Recruited | - | - | - | - | - | - | |

Planned for
early 2018

Amsterdam, Nijmegen

➤ Patient recruitment

We congratulate the Site Basel on including their first patient this January into the trial. In Bern we included our 12th patient this month.

➤ Development

We are currently developing a webpage for the trial, to make access to files and information even easier. If you have any suggestion or request, please let us know.

➤ Contact Details

Please do not hesitate to contact us if you require any assistance or have upcoming questions.
